

SEASON FEES

Fees for the 2020 Season will be \$1,560.00 per player, and \$1,960.00 for travel team. Some special cases may be considered! We will also pursue donations and sponsorship to offset the cost. A special fundraiser is available to assist families as well.

These fees are based on 10 players per team. This will give each player ample amount of playing time to improve their game, grow, develop, and get a competitive edge! A team will not have more than 12 players that is the max!! However we can and may have fewer players!

Included in the fees, participants and parents will receive the following:

- Uniform—Jersey, Shorts, Shoes, Socks, Bag, and T-Shirts (We have a Nike Team Discount)
- As many as 2-3 practices a week if possible—fees will help cover the cost of rental facilities
- Entry in 8-10 Tournaments—beginning in March and ending in July
- Half Price to all camp and clinics
- Counsel and guidance for academic requirements for graduation, and counsel for college recruitment/college opportunities (I will personally make phone calls and help create a player profile)

**** Also included in fees is the ability to hire coaches. Coaches will be accommodated for their coaching tournaments on weekends and conducting practices!!!!

***** Not included in fees is traveling to and from games, food (although there will be times where food will be provided). Travel team will include four out of town tournaments, including Vegas or Orlando!

**** If one of our teams qualify for a national tournament it will be an organizational and parent decision, because this will require more financial commitment!!! Fundraising opportunities will be offered to earn money for Nationals.

Payment Plans are available on a monthly basis, but in order to get started each player will be required to put a \$260.00 non-refundable deposit down (check, cash, money order, paypal, cashapp) to reserve a spot by Orientation.
